Dedication

Dedication

We the class of 1953, dedicate this issue of the Breeze to you ----- Herbert J. Edwards ----- in expression of our appreciation to you and your expert help and guidance through our years together. We have found it both helpful and enjoyable to be with you this year in our homeroom. We have been together since the fifth and the seventh grades. Your leadership has prepared us to undertake our next step into furthering our education. -----

CLASS HISTORY 1944-53

- Grade 1. Mrs. Ayers--a little frightened at first--started to add and subtract--sang songs about wall pictures.
- Grade 2. Mrs. Hoffman--became a little more sure of ourselves, felt we were old hands as school students this year--teacher could really paddle--learned about clocks.
- Grade 3. Miss Baker--struggled through our multiplication tables, most of us managed to learn them pretty well--third grade wouldn't be complete without a Tonette band and we really had a good one, hats and all.
- Grade 4. Mrs. Huysman--certainly was a swell art teacher--we got to use the library, our section was never kept in order--started to have gym classes--Mr. Pawlowske in arithmetic class trying to keep us quiet.
- Grade 5. Mr. Edwards--it was a change to have a man as a home-room teacher--we had our first election for class officers, Jimmy Dawson was our president--the boys now found that they liked the game of basketball.
- Grade 6. Miss Smith--we nearly went crazy with our writing specimens--everyone liked Mrs. Heckerman, our English teacher--we had a miniature zoo, Chippy the loudmouthed canary and a number of monster goldfish.
- Grade 7. Mr. Edwards (again)--we really thought we were big being in junior high--Mrs. Randolph made science pretty interesting--Mr. Edwards harped on the ancient Egyptians--started to have shop and home ec--the girls wanted to be cheerleaders and majorettes.
- Grade 8. Mr. McRoberts--caused a little trouble when we insisted on moving our seats around, the seats were nailed to the floor--Mr. Sterrett taught us a lot about the geography of the United States--Mr. Bush was our English and Literature teacher and a good one, although he did charge us to see the movies, and then give us an exam on the movie--the boys started to comb their hair--the room was always cluttered up with shop projects.
- Grade 9. Mr. Edwards (what, again)--five blacksheep basketball players went astray and lived to write about their experiences--the football and basketball teams really put Patterson Township on the map--Algebra is a pretty tough subject even with Miss Clapie as a teacher--the girls in 9th grade walloped the 8th graders 18-9 in basketball--have started to realize what nine years at Patterson in work and play have meant to us--want to thank all of our teachers and Mr. Stinson for the guidance, instruction, and understanding they have given us.

FOOTBALL

Patterson Township had a very successful season in football. The team was tied once in a non-league tilt, but finished undefeated. The team won the Section I title by winning over Chippewa, Darlington, Grove City, and College Hill. The team then met Beaver Falls, the winners of Section II, and beat them for the championship.

The season will be long remembered for the heat and dust at College Hill, the rain at East Palestine, the marching band at Grove City, the goal-line stand at Chippewa, the rout of Darlington, and coming from behind to beat Beaver Falls.

Congratulations are in order for Mr. Edwards, head coach for the past three seasons, and his assistants, Mr. Lunt, Mr. MacLarty, and Mr. Petruska. Special Mention must be made to Joe Tunno, Cain McCreary, Jim Wooley, Don Moore, Dick Dixon, and Jerry Cook who have played two or more seasons of varsity football.

The Patterson Midget-Midgets (made up of those who are too small to be Midgets) also had an undefeated season. They were coached very capably by Ronnie Young, a former student here at Patterson.

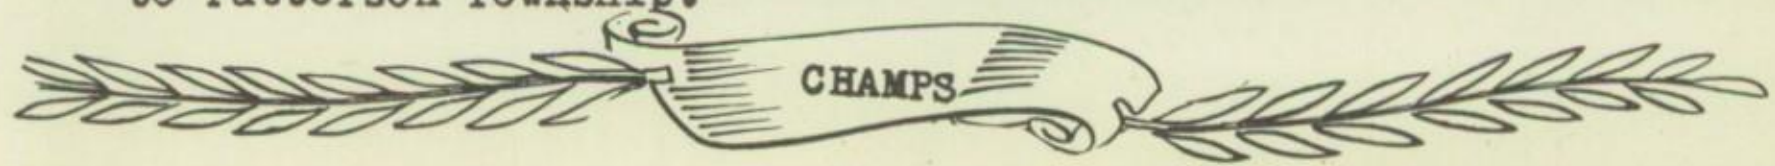

BASKETBALL

Under the leadership of Mr. Edwards, Patterson Township completed the most successful basketball season in its history by compiling an over-all record of 17 victories and 5 losses, including a 7-3 record in league play. The losses to Midland, Beaver, and Freedom were avenged in the last half of league play. Our two non-league losses were to Monaca and Ellwood City and they were beaten in return games.

Probably the greatest thrill of the season came when we upset Monaca 67-64. Monaca won their section title in Class A. Our biggest disappointment came when we lost to Midland, although we had twice as many field goals as they had.

The first-string varsity was composed of Jim Wooley and Bob Lawrence at forwards, Frank Tagg at center, John Buzzi and Joe Tunno at the guards. The team had great offensive power. It had a season total of 991 points for an average of over 45 points a game. Four of the varsity hit for more than 100 points during the season. Frank Tagg led the team with 319 points and also holds the single game high with 31 points against Monaca. Bruce Benden held the previous season record with 196 points made during the 1950-51 season.

All the boys will play at Beaver Falls High School for the next three years and should be a credit to themselves and to Patterson Township.

Class Will

We, the class of 1953, being of unsound mind and body declare this to be our "Last Will and Testament."

To the board of Directors; our heartfelt gratitude for the many, many modern means of education that have been ours to enjoy.

To Mr. Stinson, our Supervising Principal, we leave the teachers, old and new.

To the teachers old and new, the coming class of 1954 with their "pep", vigor, and vim.

To Mr. Whisner our class room to keep cold for many of the coming classes who need their "heels cooled".

Then the following small bequests to be made, as to wit:-----

I	Leave	To
Larry Barr -----	Muscles -----	Johnny Shoaff
Bob Baker -----	Glasses -----	George Weber
Bruce Brown -----	Artistic ability -----	Ralph Cumberledge
John Buzzi -----	Basketball ability ---	John Zelenak
Kay Ciotti -----	Sweaters-----	Patty Sinclair
